

## FAMINE IN FRISCO

Threatened With a Coal Famine  
Stock Being Exhausted.

### SEVERAL STEAMERS ARE DUE

An Advance of Three Dollars Per Ton Has Been Made, But Supply on Hand Not Sufficient to Fill Orders.

SAN FRANCISCO, Nov. 30.—The Examiner says today:

San Francisco is threatened with a shortage of coal. It is estimated that there are less than 2,000 tons of domestic coal in this city now. The Titania is due here Monday from Victoria with 6,000 tons, but that is only a drop in the bucket. Shellah will make port next Thursday with 5,000 tons, but by that time the 6,000 tons of the Titania will have been used. In other words, the 10,000 or 12,000 tons of coal due here next week will last San Francisco about a week, and unless vessels begin to arrive in this port loaded with coal the people may be reduced to extremities.

Many importers, interviewed on the subject, confirmed the possibility of a shortage in fuel, but express the hope that something will occur to relieve the local situation. One dealer said that although the coal supply is very short, there is no danger of a famine and that arrivals aggregating 20,000 tons are expected here shortly. An advance of \$3 per ton by the retailer to the consumer was made recently.

Manzan Pile Remedy put up in convenient, collapsible tubes with nozzle attachment, so that the remedy may be applied at the very seat of the trouble, thus relieving, almost instantly, bleeding, itching or protruding piles. Satisfaction guaranteed or money refunded.

### WORKS WONDERS.

A Wonderful Compound—Cures Piles, Eczema, Skin Itching, Skin Eruptions, Cuts and Bruises.

Doan's Ointment is the best skin treatment and the cheapest, because no little is required to cure. It cures piles after years of torture. It cures obstinate cases of eczema. It cures all skin itching. It cures skin eruptions. It heals cuts, bruises, scratches and abrasions without leaving a scar. It cures permanently. Astoria testimony proves it.

Mrs. Helen Lewis, of 52 Astor St., Astoria, Ore., says: "Doan's Ointment proved its healing qualities several years ago when I used and told in a published statement the great relief and cure I obtained from it. I used it for a breaking out around my mouth and lips which had troubled me for a number of years, despite all I could do to get rid of it. My lips would crack and become sore when cold weather set in, and this lasted until it got warm again. I was finally induced to try Doan's Ointment, procuring it at Charles Rogers' drug store. In a short time after beginning to apply it I was cured of the annoyance, and I have been entirely free from it since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

She will be used in the duck and goose trade and will traverse the waters of the Columbia anywhere west of Smith's Point. The launching will be under the direct supervision of Mr. Arrigonia, the noted ship-sharp of the fire department. It will take place at 1 o'clock in the rear of Chemical No. 1's house and 'steen extra police have been sworn in to keep back the crowd. She was named after a dainty young lady of this city; her first cargo of ducks are due at this office within ten minutes after her arrival from her initial voyage. The steamer Telegraph met the procession as she left under the Burnside bridge. The Lurline will be taken on the ways at the yards of the South Portland Ship Building company and Commodore Kamm will see to it that she is thoroughly overhauled with the best of material, properly handled. The steamer Undine tied up at the Lurline's old berth yesterday at exactly 3:30 o'clock in the afternoon, one of the quickest trips she has ever made on the Astoria run. She got away at 7 o'clock precisely, with a fair crowd of passengers and a good manifest of freight.

The French ship Marechal de Castries arrived down from Portland on the hawsers of the Oklahoma yesterday morning and later cleared for Europe, with an immense cargo of grain. She will get dispatch over the bar as soon as may be.

The work of discharging the lumber cargo of the steamer Aurelia is progressing finely and as soon as she is clear, she will be pumped out and put in trim order for her voyage to San Francisco.

### Cured of Bright's Disease.

Mr. Robert O. Burke, of Elmore, N. Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve to twenty times a night, and I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. I had given up hope of living, when a friend recommended Foley's Kidney Cure. One 50 cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's Disease." T. F. Lauren, Owl Drug Store.
